Received letter than there will be a substantial increase to water and sewage bills with TCWS.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We live on Point Clear Drive in Tega Cay. My husband is totally disabled and I only work part time because of an elderly mother. We are already financially strapped and this large increase in the water and sewage (Utilites, Inc., I believe) may cause us hardship and we are unable to sell because of the property value decreases brought on by the 2008 housing crash.

Many other families in the historical section of Tega Cay are also retired and elderly. We already pay a high rates for our water and sewage compared to most areas in South Carolina.

There have been many problems with our aging sewage system and it seems that the costs are being passed on to the citizens of Tega Cay. The increase is unfairly high and unreasonable.

Please help the citizens of our small city by refusing any more increases.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
